### Appraisal

The VisaPlus Appraisal is a **unique systematic, proven method** of assessing an individual's, couples or family's chances of a **successful relocation** to the country or countries of their choice and deciding upon the best way forward.

Our **experienced consultants** will identify the best route to achieve your new life abroad. We take into account your unique personal circumstances and naturally we will be discussing all of this with you at a time convenient to you, even after office hours.

If we can assist you and you wish to use our services, we will hold your hand from start to finish.

**If we are unable to assist you, your Appraisal fee will be refunded.** So you can be confident that you have absolutely nothing to lose.

**Sign-up today** for our comprehensive in-depth **Appraisal** that makes the difference. Or phone our 24 hour help line for advice and free brochure.

### Destinations

Many of our successfully relocated families have chosen to start a new life abroad by emigrating to:

#### Australia

Australia is an obvious choice for a high standard of living, a glorious climate and the outdoor life.

#### USA

The United States boasts nearly every kind of landscape and the world's most ethnically diverse population. Its increasing popularity as a holiday destination has created a very high demand to live there permanently.

#### Canada

Canada is frequently voted by the World Bank and United Nations as providing the highest quality of life for its residents.

#### New Zealand

Offering diverse natural beauty, a clean and healthy lifestyle and a multicultural community.
